DANNER Striker Bolt Side-Zip 8in GTX Black

SKU: 26634

Description

The Striker Bolt Side-Zip 8-inch GTX Black boots feature a non-insulated design for versatile use in various conditions. The plain-toe construction provides a lighter feel and increased flexibility during break-in. A semi-locking side zipper allows for quick entry and exits while staying securely closed during wear. With an 8-inch height and a weight of 61 oz per pair, these boots offer a balance of comfort, convenience, and dependable support.

Specifications

Weight	61 oz per pair
Height	8in
Color	Black
Insulation	N/A
Closure	Zip-Up
Toe Protection	Plain toe
Liner	GORE-TEX
Protection	waterproof
Shank	Bi Fit Board
Footbed	Polyurethane
Outsole	Vibram Striker Bolt
Traction	N/A

Features

These boots feature a 100% waterproof and breathable GORE-TEX liner that keeps water out while allowing sweat and moisture to escape. The Vibram Striker Bolt outsole provides slip-resistant performance with maximum surface contact for reliable grip on and off pavement. A polyurethane footbed delivers superior shock absorption with open-cell construction to improve airflow and comfort. The Bi Fit Board shank combines the shank, lasting board, and midsole into one lightweight structure, reducing weight while maintaining support and stability.
