LOWA Z-8S GTX C (Disc)

SKU: 310684_0493

Description

The LOWA Z-8S GTX C is a robust yet lightweight boot designed for demanding missions on challenging terrain. Its durable PU sole uses varying rigidity levels to deliver exceptional cushioning and stability during long marches with medium-heavy loads. The boot's stable construction provides reliable support without adding unnecessary weight. A waterproof, breathable GORE-TEX lining maintains an optimal foot climate, even during high-sweat activity. This combination makes the Z-8S GTX C a dependable choice for tough, all-weather operations.
