# Z-8N MK2 GTX PR WOMEN'S

SKU: 311711

## Description

The Z-8N MK2 GTX PR Women's is designed for demanding missions that require lasting comfort, stability, and protection. Built with a women-specific fit, it supports natural foot movement while providing the structure needed for extended wear. Its high-cut design offers confidence on challenging terrain, making it well suited for tactical operations, patrol duties, and outdoor environments. Combining durability with lightweight performance, this boot is engineered to perform under pressure.

## Features

Equipped with a waterproof and breathable GORE-TEX membrane, the Z-8N MK2 GTX PR Women's helps maintain comfort in wet and unpredictable conditions. The durable leather construction provides long-lasting protection against abrasion and wear, while the elevated boot profile enhances ankle support and stability. A cushioned PU midsole absorbs impact to reduce fatigue during extended use, and LOWA's supportive construction improves foot control. The rugged outsole delivers dependable grip and traction across a wide range of terrain.
