DANNER Lookout Side-Zip 8in Black

SKU: 23824

Description

The Lookout Side-Zip 8-inch boots feature a non-insulated plain-toe design for a lighter feel and greater flexibility during break-in. The slip-resistant outsole delivers dependable traction on demanding surfaces. A semi-locking side zipper allows for quick entry and exits while staying securely closed during wear. Standing 8 inches tall and weighing 54 oz per pair, these boots combine protection, comfort, and mobility for professional use.

Specifications

Weight	54 oz per pair
Height	8in
Color	Black

Closure	Zip-Up
Toe Protection	Plain toe
Liner	Danner Dry
Protection	Body Fluid Borne Pathogen Resistant, waterproof
Shank	Nylon
Footbed	DCS
Outsole	Danner Lookout
Traction	Slip resistant

Features

These boots feature a 100% waterproof Danner Dry membrane that keeps feet dry by blocking water while allowing moisture to escape. Body Fluid-Borne Pathogen Resistant construction meets ASTM F1671 standards, providing reliable protection for EMS professionals. The lightweight nylon shank reduces foot fatigue and protects the foot on rough terrain for lasting comfort. A DCS footbed delivers superior arch support, excellent shock absorption, breathable air vents, and a quick-drying mesh cover. The Danner Lookout outsole, built with FrostTrekker rubber and a dynamic lug pattern, offers outstanding slip-resistant traction and control in cold-weather conditions.
