DANNER Instinct Tactical Side-Zip 8in 400G

SKU: 25332

Description

The Instinct Tactical Side-Zip 8-inch 400G boots feature 400G Thinsulate Ultra insulation to provide lightweight warmth in cold, wet conditions without adding bulk. A semi-locking side zipper allows for quick on-and-off convenience while staying securely closed during wear. The 8-inch height offers enhanced ankle support and stability for demanding environments. Weighing just 54 oz per pair, these boots combine warmth, comfort, and agility for all-day performance.

Features

The boots feature a 100% waterproof Danner Dry membrane that blocks water while allowing moisture to escape, keeping feet dry and comfortable throughout the day. Body Fluid-Borne Pathogen Resistant construction meets ASTM F1671 standards, providing reliable protection for EMS professionals. A lightweight nylon shank reduces foot fatigue and protects the bottom of the foot on uneven terrain. The OrthoLite footbed delivers long-lasting cushioning, durability, and breathability for all-day comfort. Its Danner Instinct outsole offers slip-resistant, multidirectional traction and stable footing on a variety of surfaces.
