Women’s Tactix Softshell Parka

SKU: 128501

Description

The Women’s Tactix Softshell Parka is made from an 85% nylon and 15% spandex blend, delivering lightweight comfort, four-way stretch, moisture-wicking performance, and superior shape retention. Its DWR finish and water- and wind-resistant construction provide durable protection against weather conditions. Designed with narrower sleeves, slimmed shoulders, a fitted waist, and added chest room, it offers a professional fit while allowing unrestricted movement. Built for rigorous activities, this parka combines flexibility, durability, and comfort. Available in sizes X-Small to XXL.
